Location

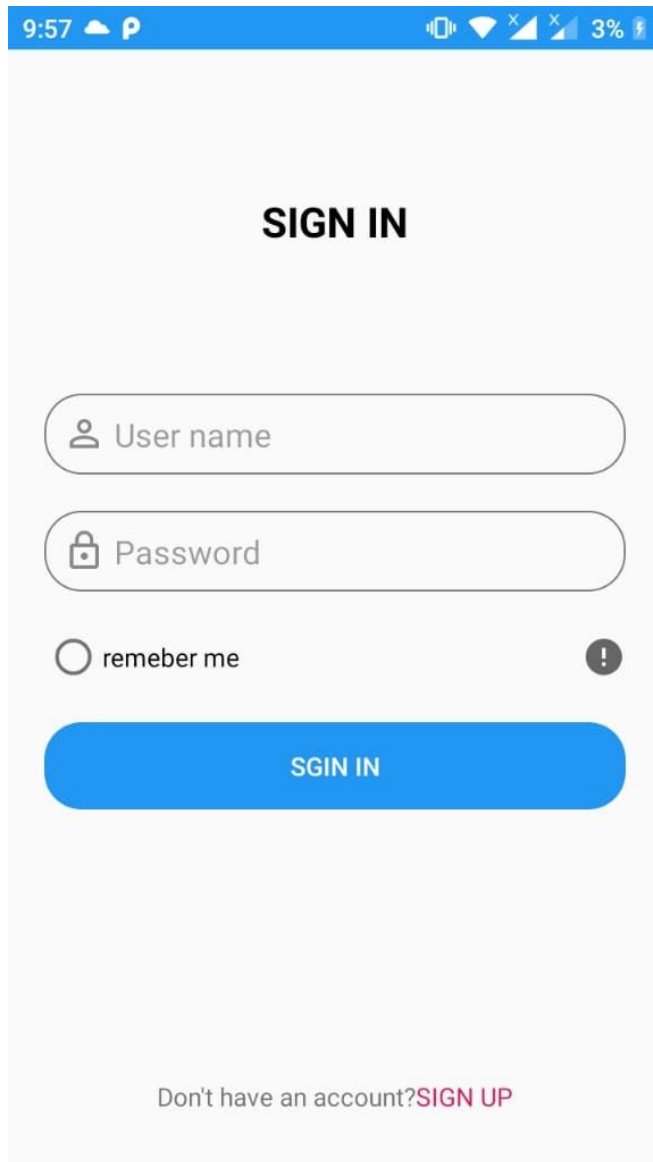

Password

SGIN UP

Already have an account?[SIGN IN](#)

- User can create account
- User can use email
- User will select a unique username.
- User will make a password.

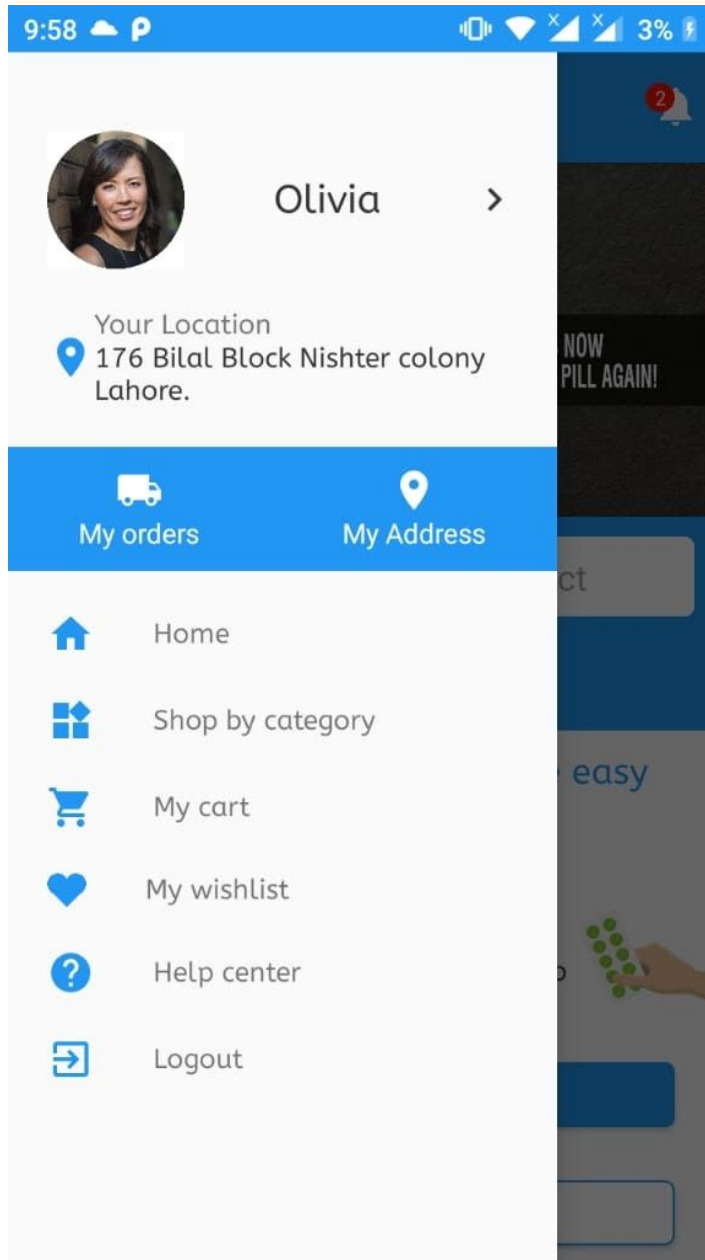

□ Section 2: Sign in

The image shows a mobile application interface for signing in. At the top is a blue status bar with the time 9:57, a profile icon, and various system icons including signal strength, Wi-Fi, and a 3% battery level. The main content area has a light gray background. In the center, the text "SIGN IN" is displayed in bold black capital letters. Below this, there are two rounded rectangular input fields. The first field is labeled "User name" with a person icon on the left. The second field is labeled "Password" with a lock icon on the left. Under the password field, there is a radio button followed by the text "remeber me" (note the misspelling) and a small circular icon containing an exclamation mark. Below these fields is a large, solid blue button with the text "SGIN IN" (note the misspelling) in white capital letters. At the bottom of the screen, the text "Don't have an account?" is followed by a link "SIGN UP" in pink capital letters.

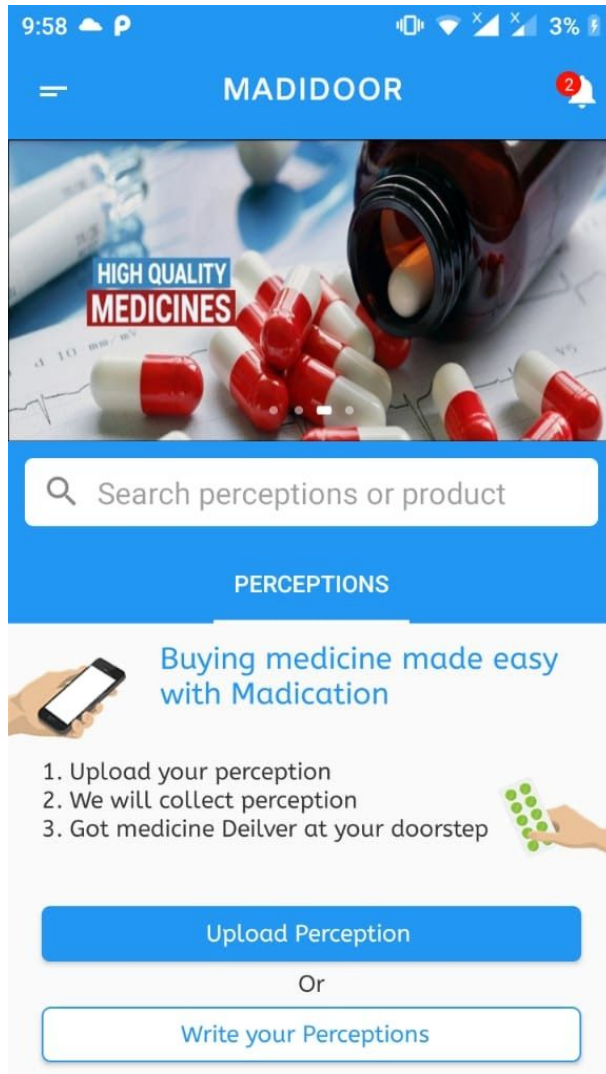

□ Users will login with a unique username and password .

□ Section 3: Dashboard

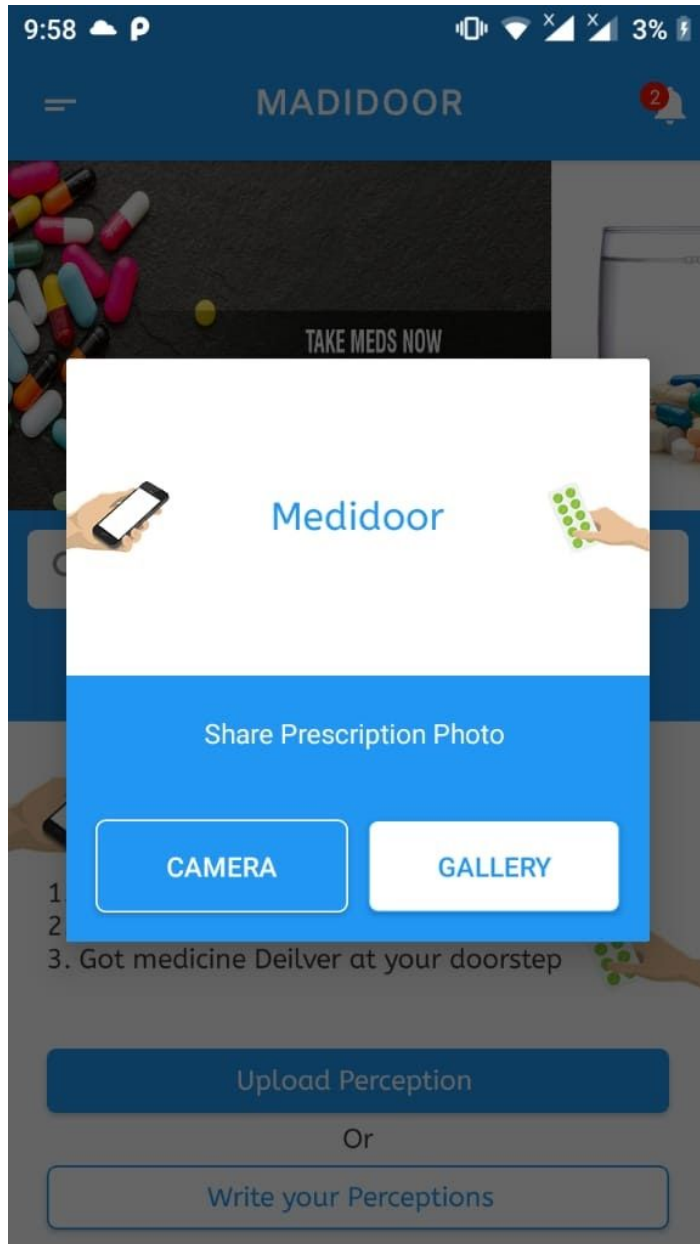

- In the user dashboard the user will experience the app features.

□ Section 4: User interface

- User can search for medicine and different products.
- User can search for medicine by uploading or writing perceptions.
